

What is QEWP?

QEWP stands for **Q**uittapahilla **E**ducational **W**etland **P**reserve. The wetland, located across from Home Depot on the property of the Lebanon County Career and Technology Center, is the headwaters of the Quittapahilla Creek. The wetland has been the focus of a small group of individuals/educators who are working to turn this wetland into a hands-on, educational facility. Join us Saturday, [June 2nd](#) to find out how you can take advantage of this great resource.

Why Attend the Workshop?

- To learn about a LOCAL & FREE resource that can be used to incorporate the Environment & Ecology State Standards into your classroom with on-site activities and explorations.
- To receive your own activity book, *Wonders Of Wetlands* (340 pages), plus an additional binder of classroom activities
- To experience some of the explorations and activities you can use with your students. (Participants will be grouped by grade levels).
- To better incorporate the **Environment & Ecology State Standards** into your curriculum
- To gain firsthand knowledge on how to use the wetland and all of its resources (books, field guides, microscopes, nets, pans, test kits, etc.) for class field trips.
- To learn something new and to meet new people and network ideas.
- To obtain 6.5 Act 48 credit hours
